7.2.1 Institutional Best of Practices 2016-17

Best practice- 2

- Title of the Practice-** Promotion of Excellence through the creation of creative/ innovative academic structure.
- Objectives of the Practice-**
 - To create academic/ intellectual skill among the socio-economically backward of central India.
 - To take education to the doorstep of those who are situated in remote regions of central India.
 - To motivate such population to engage in rewarding academic activity and achieve excellence.
- The Context-** Central India is a tribal dominated region wherein the cultural ethos and availability of material and human resources is not wide spread. The University situated in such a backward region of the country has a special onus to deliver education and through the modality of higher education energize the engine of growth and development. Special efforts are being made by the University to reach out to the under privileged section of the region and co-opt them in the effort towards modernization and development.
- The Practice-**
 - Exhaustive use of audio-visual and modes of communication to spread the message of the University.
 - Organization of events such as pad yatras, cycle rally, poster campaign, visit to various institution in the catchment area, specially lead colleges, NSS Programmes in backward areas to generate awareness regarding opportunities.
 - Prolific use of social to spread the message of education.
 - Creation of help desk in each and every department of the University to help students.
 - Establishment of MP online kiosk within the University campus of facilitating of process of admissions and other enquiry related issues.
- Evidence of Success-**
 - Placement drive by the University to help student get very good placement for students in repute companies. Organization of job fair
 - Implementation of CBCS in the University Teaching Department to give wide academic choices to students in tune with latest trends in higher education world over.
