RANI DURGAWATI UNIVERSITY, JABALPUR MP INDIA

Rani Durgawati Vihwakhulayazwas established under Jabalpur University Act on the 12th of June 1956. Since then the University has obtained an illustrious history of 65 glorious years of academic, administrative and intellectual leadership. It was envisaged by the decision makers that the spread of education especially higher education would lead to deeper socio-economic development. The achievements of the University has been recognized and documented by the National Assessment and Accreditation Council in 2014, when it awarded a high rating of "B". We are striving for an even better rating in next accreditation.

The University covers a vast arena of disciplines and encompasses various faculties such as Science, Arts, Social Science, Commerce, Law, Management and Education. The various departments are continuously involved in teaching and research activities that are recognized both nationally and internationally. Apart from 24 well established teaching and research departments, the University also runs several sponsored centers like Academic Staff College, Community College, Women's Study Center, Design Innovation Center, Career Guidance Counseling Training and Placement Cell, Remedial Coaching for SC/ST/ODC, Central Health Point, Govt. Naxos Durg Shree Naxos, Bharatya Open Study Point, Dr. Ambedkar Studies Center, Skill Development Center, Distance Education, and host of students' and employees' supporting facilities. The University has been identified as the only state University in Madhya Pradesh and one of the nine Universities nationally for implementation of the prestigious NUSAP programmes.

The University has the great privilege of having a host of luminaries from academic and public life. The Founder Vice Chancellor Prof. Kunglil Dubey has also been the speaker of Madhya Pradesh Vihwa Sabha. The present Vice Chancellor Prof. Kapil Dev Mishra also dons many feathers to his cap in academia and administration. The university continues to offer new job-oriented and skill based courses such as Bachelor of Vocational in Medical Lab Technology and Building Construction, Masters in Cyber Security, Bachelor of Physical Education and Sports, Diploma in Renewable Energy, Design Innovation and many more, and several innovative programmes are in pipeline. The curriculum appreciation is achieved by adopting Learning Outcomes based-Choice Based Credit System in all the programmes of the University, and has made the University at par with the leading HEIs within India and abroad.

The University has also digitalized much of the Academic and Administrative activities by way of evolving platform for online admission, teaching and learning, examination and result processing, including deployment of digital form of student records, purchases and financial matters, and college affiliation. In acknowledging its social responsibilities, the University has adopted adjacent villages for literary and other extension activities, has undertaken treatment of Leprosy patients, extended continuous psychometric tests, blood and other Medical camps and periodic Employment fairs.

We are committed to fulfil our mission that is "to provide quality education, develop human resources and improve literacy and socio-economic status of society as a whole in general and deprived sections of our society in particular."
